With all our drinks both alcoholic and non alcoholic we try and apply the same principles as we use with our food. We source as locally as we are able to and always try to choose the best product we can rather than the one we can sell the cheapest. We have a "House Choice" on most things and again it won't necessarily be the cheapest but our view of the best compromise between cost and quality. These are marked with a HC.

Mineral Water

Whitehole Springs
We use Whitehole Springs Mineral Water for the same reason that many Michelin Starred establishments do. It is one of the best tasting mineral waters in the world. Uniquely it is a natural spring water that rises in Tufa rock - giving it a unique sweet taste. It's also reasonably local in that it comes from Somerset and it's hard sweet taste is particularly good at not changing you palate and so you retain the natural tastes of your food/wine - unlike our heavily chlorinated local tap water. **V VV G**

Beers & Ciders

Beers

Bays Topsail (4.0% Dark) ½ Pint / Pint £2.15/£4.25
Bays Gold (4.3% Golden) ½ Pint / Pint £2.25/£4.50
Our nearest brewery, 3 miles from us, Bays is a multi award winning local business. Family run, like us, so the perfect fit.

Guinness (4.1% Stout) **520ml surger** £4.50
The traditional Dublin Stout.

Pravha (4.0%, Light Crisp) ½ Pint / Pint £2.40/£4.75
Staropramen (5.0%, Full Bodied) ½ Pint / Pint £2.70/£5.25
Both from the world famous Staropramen Brewery in Prague. As the Czechs invented the modern style of Lager it seemed churlish not to stock lagers from one of the leading breweries - also they are both very good with food.
Sharp's Offshore (4.8%, Light Citric) ½ Pint / Pint £2.50/£4.95
Much as it pains a Devonian to say it, this Cornish Pilsner from the Doombar people recently won **World's Best Lager!** Light, very lemony, very distinctive, refreshing and great with seafood.

Peroni (5.1% Light Hoppy) **330ml Bottle** £3.95
The classic Roman larger.

San Miguel (0.0% Malty Sweet) **275ml Bottle** £2.75
Becks Blue (0.1% Hoppy Crisp) **275ml Bottle** £2.95
Our alcohol free beers are very different in style so hopefully you'll find one that suits.

Crabbies Ginger Beer (5.0%) **Pint Bottle** £4.95

Ciders

Harry Sparrow (4.5% Fruity Crisp) ½ Pint / Pint £2.25/£4.50
Suffolk Draught Cyder (5.5% Light Crisp) ½ Pint / Pint £2.50/£4.95
Whilst the irony of being in Devon and stocking cider from Suffolk is not lost on us, the Aspoll's ciders are particularly good as well as being spelled with a "y". The Suffolk draught is an traditional English style, whilst the Harry Sparrow has quite a Normandy influence on it!

Rekorderlig Fruit Ciders **500ml bottle** £5.95
Whilst the irony above seems magnified when we move to Sweden but the Rekorderlig Fruit Ciders are particularly good. All natural spring water and ingredients as you'd expect from those healthy living Swedes.
Apple **Pear** **Wild Berries** **Passion Fruit**
Spiced Plum **Mango & Raspberry** **Strawberry & Lime**

Strawberry & Lime, Low Alcohol (0.2%) £4.95
